

## NOTIFICATION REGARDING THE APRIL 23-26, 2020 4-DAY MBA

As you know, all events, travel and meetings across the nation have been postponed because of the Coronavirus, **including our 4-Day MBA scheduled for April 23-26, 2020.**

We can only imagine the difficulties and inconvenience this has presented to you. While this delay is out of everyone's control, we are remaining flexible on rescheduling this event. None of us know how long social distancing and other guidelines from the CDC will be in effect or what things will look like on the other side. But what we do know is this: **the need for solid business and financial education has never been greater...** and that is the purpose and sole outcome of the 4-Day MBA!

**Here is our current plan (please note: these dates are subject to further change as we'll be monitoring CDC recommendations going forward):**

- **NEW DATES - August 2-5, 2020**
- **NEW DATES - September 10-13, 2020**

### **What we need from you:**

- **Please write to us at [events@keystothevault.com](mailto:events@keystothevault.com) to confirm your seat for either the August 2-5, 2020 or September 10-13, 2020 event.**

Like you, we are still making plans, but will continue to remain flexible and appropriately health conscious. This is an unprecedented time for everyone. Be healthy, safe and smart about what you are doing and who you are doing it with.

Best,

Keith and Sandi Cunningham
